

Stile & Rail Wood Doors

*Durability. Beauty.
Classic Craftsmanship.*

MAIMAN'S classic stile and rail architectural wood doors stand favorably alongside the very best in the industry. You get the same beauty and structural integrity in a 90-minute fire rated door as you do in a simple non-rated door. We know it works. We invented it.

Maiman stile and rail doors combine high-quality and long lasting beauty for surprisingly low cost. Our doors represent a perfect merger of innovative technologically-enabled craftsmanship with historic tradition.
